

MAKING ABILITIES COUNT

Since 1999, MAC Industries has provided a safe, professional place to teach work skills to individuals with intellectual disabilities. MAC started with a contract from Baldor Motors to assemble cords for their motors & a small laundry service. They had 6 individuals working at the time. Over the years MAC has grown into a versatile, productive quality oriented business employing 55 individuals with disabilities. Our services include contracts with Hanesbrands Inc., Baldor Motors, & Mid-South Roller, a laundry service, screen printing embroidery & engraving business and now a Restaurant. The meaningful jobs provided by MAC gives individuals with disabilities extra income & a greater purpose in life.

The Restaurant received its name from our Special Olympics mascot the Falcon. Thus was born the **FALCON'S NEST**.

Our hope is for you to **SEE** our ABILITIES, to **FEEL** our sense of pride, to **TASTE** our delicious food & **EXPERIENCE** the joy at the **Falcon's Nest**.
